

These landscape plans are for design purposes only. They are not for construction purposes. Peter Fudge Gardens is not responsible or liable for construction of this garden. Detailed drawings and specifications for construction should be supplied by the relevant authority (eg. architect, engineer, builder, contractor) to ensure all construction is in accordance with accepted standards.

Back
 Steps from verandah btm end of porch and porch centre, 11 steps risers .175 mm ,treads to be 350 mm ?,timber to be hardwood,I use spotted gum, but up to client.
 Jonathan I'm going to ask sc to measure and photo the wall outside the rumpus room and the windows on this part of the house.
 Prune large leaf ivy level at 97 ..
 Pf yet to position this wall but it should have the steps removed from it and a 500 mm bench , 450 mm from the ground, made from boards 100 mm x100mm on 50 mm cubed blocks in st steel, attached block walls every 1.5 m, ie the cubes separate but join the boards to masonry
 Sc is measuring wall outside rumpus room, pf explain to lf long bench
 Make good porch where existing stairs once they've been replaced by new stairs vs hedge at end start of lawn to be 800 mm high
 Two brown walls around gravel area to be rl 97.20
 Widen pavers to side of the lawn, but have to be 1200 mm from fence.
 Arrows up all steps
 Darker graphic for Jck
 Lee, put bedroom and bathroom behind kitchen wall , arch how far off bound ,Jonathan council probably won't let you do this?
 Lee , add RLs of walls mlawn (?type is soft leaf buffalo),Eucalyptus saligna,new steps ,RLs on deck under tree
 Balustrade to match existing to flank steps from porch
 Pool fence frameless glass on spiggets .heater and filter see me
 Poolmsteps see me,deep end vs shallow end see me.
 Show Metal edging around vo s (existing) ie say this,steppers,
 All paving.....
 Put my notes on plan and A 4
 See re design of side garden x 2
Front
 Show boardwalk steps,it's a walk not paved,landing 1 step lower the verandah,reverse stair from drive therefore paved inlay
 Show ss from bulk to side of house,jck adjacent to porch,show existing wall around euc.
 Jonathan did the owners or council ever give you conditions re the 2 trees?
 Show where existing vos stop (this influences plant schedule) plant up to front gate,
